

Southern Brown Bandicoot Workshop

Sunday September 24 2017

10am-1pm (lunch provided)

Settlers Run Golf & Country Club

1 Settlers Run, Botanic Ridge

Come along to this free, family friendly workshop and learn more about the results of research into the southern brown bandicoot, a nationally endangered species that is thriving at Settlers Run.

The workshop will include presentations on our monitoring project and what can be done to help protect and enhance the habitat of this amazing little creature and other native mammals.
